

OP WOLVES

BASKETBALL BOYS FEEDER TEAMS

NOVEMBER 2024 – MARCH 2025

PROGRAM PHILOSOPHY

The OP Wolves Feeder Basketball program believes that all players, regardless of talent level, should demonstrate good character, morals, family values and solid academics. This program will have a strong emphasis on skill development. All players will learn man to man defense, motion offense with extensive skill training. By the end of this season you will see improvement in your player's basketball IQ (knowledge of the game), basketball fundamentals, and skills.

TEAMS

The OP Wolves Feeder Basketball program will have A-Level (Red) & B-Level (White) teams at 3rd, 4th, 5th, 6th, 7th, and 8th grade levels. Each grade level will be split into true A-Level & B-Level teams. If there are not enough players to make 2 teams, then we will keep 1 team at a grade level. The Coaching Staff reserves the right to move players back and forth throughout the season. Each team will have 10-11 players and every player will play in every game.

PRACTICES & SKILL TRAINING

Practice Days are TBD and will begin the 2nd or 3rd week of November. Each team will practice for 1.25 to 1.5 hours each practice to develop the player's individual and team skills. Practices will be twice per week in November, December, and January and once per week in February and March at Niles West High School. The Red and White teams will practice together by grade to allow for player unity at each grade level. If there are not 2 teams at the same grade level, teams will practice with another team at a different grade level. **No practices during winter break.**

LEAGUE GAMES/SHOOTOUTS/TOURNAMENTS

Games will begin the week of November 11th. All teams will play in the Play Hard Hoops Travel Feeder League which will take place at Waukegan HS, Canlan Sportsplex (Libertyville & Lake Barrington), Millburn Middle School, Woodland Middle School, Carmel HS, Lake Forest Academy, Maine East HS, and Mt. Carmel HS (Chicago). Possible communities in this league are Barrington, Buffalo Grove, Deerfield, Glenview, Gurnee, Hawthorn Woods, Lake Zurich, Libertyville, Lincolnshire, Long Grove, Northbrook, Vernon Hills, Wauconda, and Waukegan. Some teams will play in other Feeder Leagues or Feeder Shootouts/Tournaments. Most games during the season will be on Saturdays or Sundays. All teams will play at least 15-20 games to include 1-2 Shootouts/Tournaments for the season. Shootouts/Tournaments will be feeder/community teams based. **No games, shootouts, or tournaments during winter break.**
